On behalf of the Indiana House Republicans, I would like to welcome you to the Indiana Statehouse.

A vital part of the legislative process is ensuring that the public is regularly informed about the business we conduct, both during session and in the interim, and we rely on the press to relay and interpret this information. The function that the media performs in communicating our work to the public does not go unnoticed, and on behalf of our institution and all Hoosiers, I sincerely thank you for your service.

I invite you to share the business of the Statehouse with Hoosiers so that they have a better understanding of how they are represented in the democratic process.

Sincerely,

Speaker Brian C. Bosma, House District 88
We are excited to have you join us during this year’s legislative session. Our team recognizes the importance of collaborating with the media in order to keep the public informed and engaged. The House Republican Communications Department serves as a liaison between members of the press and our Republican representatives.

How To’s

How To: Look Up a Bill Online

1. Visit the Indiana General Assembly website: iga.in.gov.
2. On the top row, select Legislation.
3. Choose the subcategory under Legislation that best fits your search from the following:
   a. Bills: Select if you know the bill number or a keyword. This is also a full list of all filed bills. Once you choose a bill, the option to view the Latest Fiscal Note is available as a PDF in the left column. This is a good option if you are looking for short summaries of what the bill would do and how it would affect Indiana fiscally.
   b. Resolutions: Select to see all joint, concurrent and simple resolutions from the current year’s legislative session.
   c. By Legislator: Select if you are looking for a bill authored or co-authored by a specific legislator. Names are listed by district or alphabetically.
   d. By Subject: Select to search by subject alphabetically. Example: Aircraft, Bankruptcy or Cell Phones.
4. Committees: To see what bills are being heard by a specific committee, click on the Committees tab in the top row and select either Standing or Conference, depending on which you are interested in.
5. Archives: To see a list of bills from previous sessions, under the Information tab at the top of the page, click on Archives. This will take you to a new page where you can choose the year you would like to view and if you would like to see House or Senate bills by a specific legislator.

1. Visit the Indiana General Assembly website at: iga.in.gov.
