On behalf of the Indiana House Republicans, I would like to welcome you to the Indiana Statehouse.

A vital part of the legislative process is ensuring that the public is regularly informed about the business we conduct, both during session and in the interim, and we rely on the press to relay and interpret this information. The function that the media performs in communicating our work to the public does not go unnoticed, and on behalf of our institution and all Hoosiers, I sincerely thank you for your service.

I invite you to share the business of the Statehouse with Hoosiers so that they have a better understanding of how they are represented in the democratic process.

Sincerely,

Speaker Brian C. Bosma, House District 88
We are excited to have you join us during this year’s legislative session. Our team recognizes the importance of collaborating with the media in order to keep the public informed and engaged. The House Republican Communications Department serves as a liaison between members of the press and our Republican representatives.

For media inquiries regarding Speaker Brian C. Bosma, please call me anytime at 317-232-9887 or email me at Erin.Reece@iga.in.gov. Deputy Communications Director Courtney Heiden is also available to facilitate media inquiries and provide temporary press passes. She can be reached at 317-232-9831 or by emailing Courtney.Heiden@iga.in.gov. On page two of this guide, you will find a communications staff directory. Each legislator is assigned a press secretary, feel free to reach out to them for media inquiries regarding a specific representative.

MULTIMEDIA PRODUCTION

The House Republican Communications office posts interviews with lawmakers on our YouTube channel.

Press conferences are also live-streamed through periscope, which can be accessed on our Twitter account.

Additionally, we produce a podcast, Around the House, which offers an update on a variety of topics concerning the Indiana General Assembly. Listen and download audio files by visiting www.indianahouserpublicans.com.

For more information about multimedia opportunities, contact Kelly Sweeney, Social Media and Technology Specialist, at 317-234-9290 or at Kelly.Sweeney@iga.in.gov.
How To: Look Up a Bill Online

1. Visit the Indiana General Assembly website: iga.in.gov.
2. On the top row, select Legislation.
3. Choose the subcategory under Legislation that best fits your search from the following:
   a. Bills: Select if you know the bill number or a keyword. This is also a full list of all filed bills. Once you choose a bill, the option to view the Latest Fiscal Note is available as a PDF in the left column. This is a good option if you are looking for short summaries of what the bill would do and how it would affect Indiana fiscally.
   b. Resolutions: Select to see all joint, concurrent and simple resolutions from the current year’s legislative session.
   c. By Legislator: Select if you are looking for a bill authored or co-authored by a specific legislator. Names are listed by district or alphabetically.
   d. By Subject: Select to search by subject alphabetically. Example: Aircraft, Bankruptcy or Cell Phones.
4. Committees: To see what bills are being heard by a specific committee, click on the Committees tab in the top row and select either Standing or Conference, depending on which you are interested in.
5. Archives: To see a list of bills from previous sessions, under the Information tab at the top of the page, click on Archives. This will take you to a new page where you can choose the year you would like to view and if you would like to see House or Senate bills by a specific legislator.

How To: Find the Calendar of House and Senate Committee Meetings

1. Visit the Indiana General Assembly website at: iga.in.gov.
2. On the right side column the Upcoming Meetings will be listed.
3. For additional details, click on the calendar icon to the right to choose a date.
4. The agenda will specify the location and room number of the committee meeting.

How To: Watch Live Streaming Video of House and Senate Committee Meetings

2. On the bottom right side click on Watch Live, either Senate or House.
3. Select the meeting you would like to watch from the right side.
4. A live streaming video of the committee will pop-up.

Please Note: Audio of House and Senate meetings can only be heard while the House or Senate is actually in session. Check the homepage of the General Assembly to find out the daily meeting times of the Legislature. Remember that while the House or Senate is in session, they may be in recess for caucus, lunch or dinner. At those times, nothing will be broadcast on the internet.
