

State Representative Christopher Judy

2018 Legislative Survey Results

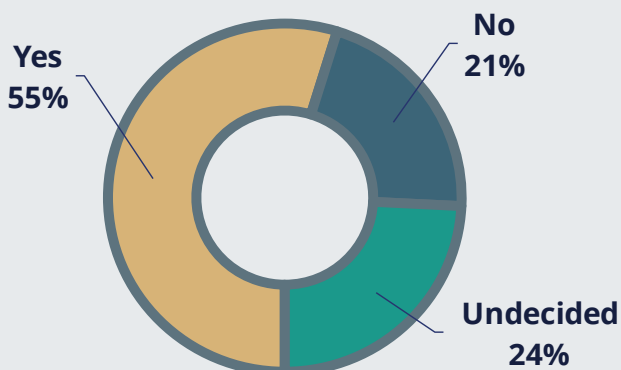

1
Would you support changing Indiana law to allow the carryout sale of alcohol on Sundays?

2
The legislature established and expanded a high-quality, early education pilot program for low-income families. This five-year pilot program is entering its third year and serves 20 counties. Do you believe high-quality preschool programs for low-income families should be expanded statewide using taxpayer dollars?

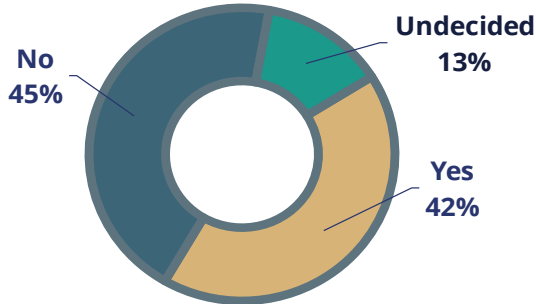

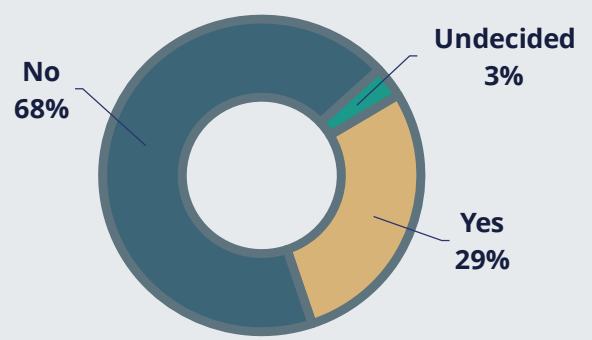

3
Do you believe illegal immigrants who were brought to Indiana at a very young age should be allowed to pay in-state college tuition at Indiana public colleges and universities if they graduate from an Indiana high school, have no criminal record and are drug-free?

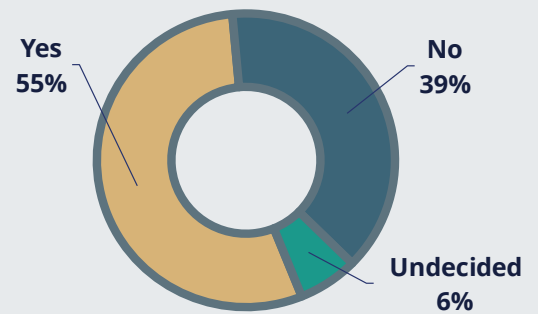

4
Do you support a state constitutional amendment establishing a nonpartisan commission to draw legislative and congressional districts?

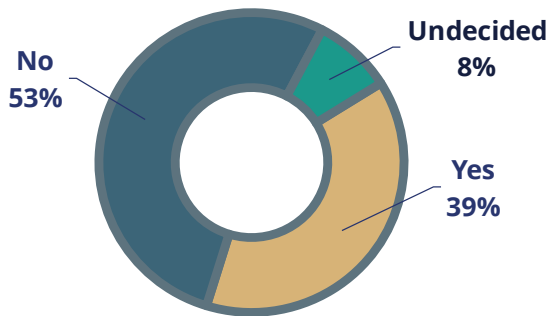

5 Do you believe Hoosiers who are legally permitted to possess a handgun should be able to carry a handgun in public without first applying for and obtaining a state issued license? This proposal is often referred to as "constitutional carry."

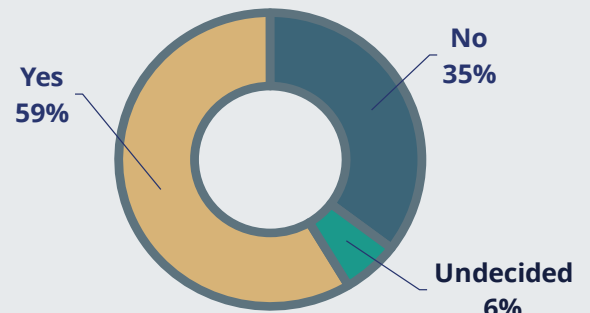

6 Do you support making it more difficult for law enforcement to seize private property, such as cash, an automobile or house, which they believe was used in the commission of a crime?

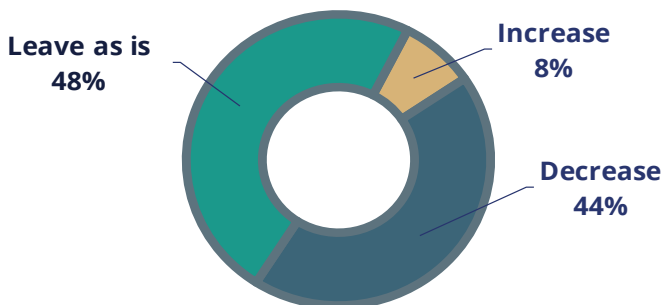

7 Should Hoosiers be automatically registered to vote when they obtain a driver's license?

8 Do you believe that Hoosier adults should have the ability to legally buy and possess any hemp-derived or cannabidiol (CBD) product?

9 Do you support the legalization of medical marijuana?

10 The state requires that local governments allow fireworks to be set off from June 29 through July 9 during certain hours. Do you feel this time span is adequate, or would you like to see the number of days increased or decreased?
