 23    **SECTION 3. [EFFECTIVE JULY 1, 2019]**

24  
 25      **GENERAL GOVERNMENT**

26  
 27      **A. LEGISLATIVE**

28  
 29      **FOR THE GENERAL ASSEMBLY**

30 <b>LEGISLATORS' SALARIES - HOUSE</b>		
31          Total Operating Expense	7,433,880	8,533,999
32 <b>HOUSE EXPENSES</b>		
33          Total Operating Expense	12,158,288	12,158,288

36 <b>SENATE EXPENSES</b>		
37          Total Operating Expense	10,259,000	11,463,000

38  
 39      Included in the above appropriations for house and senate expenses are funds for  
 40      a legislative business per diem allowance, meals, and other usual and customary  
 41      expenses associated with legislative affairs. Except as provided below, this allowance  
 42      is to be paid to each member of the general assembly for every day, including Sundays,  
 43      during which the general assembly is convened in regular or special session, commencing  
 44      with the day the session is officially convened and concluding with the day the session  
 45      is adjourned sine die. However, after five (5) consecutive days of recess, the legislative  
 46      business per diem allowance is to be made on an individual voucher basis until the  
 47      recess concludes.

48  
 49      Each member of the general assembly is entitled, when authorized by the speaker of the

1 house or the president pro tempore of the senate, to the legislative business per diem  
2 allowance for every day the member is engaged in official business.

3  
4 The legislative business per diem allowance that each member of the general assembly  
5 is entitled to receive equals the maximum daily amount allowable to employees of the  
6 executive branch of the federal government for subsistence expenses while away from  
7 home in travel status in the Indianapolis area. The legislative business per diem changes  
8 each time there is a change in that maximum daily amount.

9  
10 In addition to the legislative business per diem allowance, each member of the general  
11 assembly shall receive the mileage allowance in an amount equal to the standard  
12 mileage rates for personally owned transportation equipment established by the federal  
13 Internal Revenue Service for each mile necessarily traveled from the member's usual  
14 place of residence to the state capitol. However, if the member traveled by a means  
15 other than by motor vehicle, and the member's usual place of residence is more than  
16 one hundred (100) miles from the state capitol, the member is entitled to reimbursement  
17 in an amount equal to the lowest air travel cost incurred in traveling from the  
18 usual place of residence to the state capitol. During the period the general assembly  
19 is convened in regular or special session, the mileage allowance shall be limited  
20 to one (1) round trip each week per member.

21  
22 Any member of the general assembly who is appointed by the governor, speaker of  
23 the house, president or president pro tempore of the senate, house or senate minority  
24 floor leader, or Indiana legislative council to serve on any research, study, or survey  
25 committee or commission, or who attends any meetings authorized or convened  
26 under the auspices of the Indiana legislative council, including pre-session conferences  
27 and federal-state relations conferences, is entitled, when authorized by the legislative  
28 council, to receive the legislative business per diem allowance for each day the  
29 member is in actual attendance and is also entitled to a mileage allowance, at the  
30 rate specified above, for each mile necessarily traveled from the member's usual  
31 place of residence to the state capitol, or other in-state site of the committee,  
32 commission, or conference. The per diem allowance and the mileage allowance permitted  
33 under this paragraph shall be paid from the legislative council appropriation for  
34 legislator and lay member travel unless the member is attending an out-of-state  
35 meeting, as authorized by the speaker of the house of representatives or the president  
36 pro tempore of the senate, in which case the member is entitled to receive:  
37 (1) the legislative business per diem allowance for each day the member is engaged  
38 in approved out-of-state travel; and  
39 (2) reimbursement for traveling expenses actually incurred in connection with the  
40 member's duties, as provided in the state travel policies and procedures established  
41 by the legislative council.

42  
43 Notwithstanding the provisions of this or any other statute, the legislative council  
44 may adopt, by resolution, travel policies and procedures that apply only to members  
45 of the general assembly or to the staffs of the house of representatives, senate, and  
46 legislative services agency, or both members and staffs. The legislative council may  
47 apply these travel policies and procedures to lay members serving on research, study,  
48 or survey committees or commissions that are under the jurisdiction of the legislative  
49 council. Notwithstanding any other law, rule, or policy, the state travel policies and

1 procedures established by the Indiana department of administration and approved  
 2 by the budget agency do not apply to members of the general assembly, to the staffs  
 3 of the house of representatives, senate, or legislative services agency, or to lay members  
 4 serving on research, study, or survey committees or commissions under the jurisdiction  
 5 of the legislative council (if the legislative council applies its travel policies and  
 6 procedures to lay members under the authority of this SECTION), except that, until  
 7 the legislative council adopts travel policies and procedures, the state travel policies  
 8 and procedures established by the Indiana department of administration and approved  
 9 by the budget agency apply to members of the general assembly, to the staffs of the house  
 10 of representatives, senate, and legislative services agency, and to lay members serving  
 11 on research, study, or survey committees or commissions under the jurisdiction of the  
 12 legislative council. The executive director of the legislative services agency is responsible  
 13 for the administration of travel policies and procedures adopted by the legislative  
 14 council. The auditor of state shall approve and process claims for reimbursement of travel  
 15 related expenses under this paragraph based upon the written affirmation of the speaker  
 16 of the house of representatives, the president pro tempore of the senate, or the executive  
 17 director of the legislative services agency that those claims comply with the travel  
 18 policies and procedures adopted by the legislative council. If the funds appropriated  
 19 for the house and senate expenses and legislative salaries are insufficient to pay all  
 20 the necessary expenses incurred, including the cost of printing the journals of the  
 21 house and senate, there is appropriated such further sums as may be necessary to pay

33  
34 Before reimbursing overnight travel expenses, the auditor of state shall require  
35 documentation as prescribed in the state travel policies and procedures established  
36 by the Indiana department of administration and the budget agency. No appropriation  
37 from any fund may be construed as authorizing the payment of any sum in excess of  
38 the standard mileage rates for personally owned transportation equipment established  
39 by the federal Internal Revenue Service when used in the discharge of state business.  
40 The Indiana department of administration and the budget agency may adopt policies  
41 and procedures relative to the reimbursement of travel and moving expenses of new  
42 state employees and the reimbursement of travel expenses of prospective employees  
43 who are invited to interview with the state.

44  
45 **SECTION 15. [EFFECTIVE JULY 1, 2019]**

46  
47 Notwithstanding IC 4-10-11-2.1, the salary per diem of members of boards, commissions,  
48 and councils who are entitled to a salary per diem is equal to \$100 per day. However,  
49 members of boards, commissions, or councils who receive an annual or a monthly salary

1 paid by the state are not entitled to the salary per diem provided in IC 4-10-11-2.1.

2  
3 SECTION 16. [EFFECTIVE JULY 1, 2019]

4  
5 No payment for personal services shall be made by the auditor of state unless the  
6 payment has been approved by the budget agency or the designee of the budget agency.

7  
8 SECTION 17. [EFFECTIVE JULY 1, 2019]

9  
10 No warrant for operating expenses, capital outlay, or fixed charges shall be issued  
11 to any department or an institution unless the receipts of the department or institution  
12 have been deposited into the state treasury for the month. However, if a department  
13 or an institution has more than \$10,000 in daily receipts, the receipts shall be  
14 deposited into the state treasury daily.

15  
16 SECTION 18. [EFFECTIVE JULY 1, 2019]

17  
18 In case of loss by fire or any other cause involving any state institution or department,  
19 the proceeds derived from the settlement of any claim for the loss shall be deposited  
20 in the state treasury, and the amount deposited is hereby reappropriated to the  
21 institution or department for the purpose of replacing the loss. If it is determined  
22 that the loss shall not be replaced, any funds received from the settlement of a  
23 claim shall be deposited into the state general fund.

24  
25 SECTION 19. [EFFECTIVE JULY 1, 2019]

26  
27 If an agency has computer equipment in excess of the needs of that agency, then  
28 the excess computer equipment may be sold under the provisions of surplus property  
29 sales, and the proceeds of the sale or sales shall be deposited in the state treasury.  
30 The amount so deposited is hereby reappropriated to that agency for other operating  
31 expenses of the then current year, if approved by the director of the budget agency.

32  
33 SECTION 20. [EFFECTIVE JULY 1, 2019]

34  
35 This act does not authorize any rehabilitation and repairs to any state buildings,  
36 nor does it allow that any obligations be incurred for lands and structures, without  
37 the prior approval of the budget director or the director's designee. This SECTION  
38 does not apply to contracts for the state universities supported in whole or in part  
39 by state funds.

40  
41 SECTION 21. [EFFECTIVE JULY 1, 2019]

42  
43 If an agency has an annual appropriation fixed by law, and if the agency also receives  
44 an appropriation in this act for the same function or program, the appropriation in  
45 this act supersedes any other appropriations and is the total appropriation for the  
46 agency for that program or function.

47  
48 SECTION 22. [EFFECTIVE JULY 1, 2019]

1 The balance of any appropriation or funds heretofore placed or remaining to the  
2 credit of any division of the state of Indiana, and any appropriation or funds provided  
3 in this act placed to the credit of any division of the state of Indiana, the powers,  
4 duties, and functions whereof are assigned and transferred to any department for  
5 salaries, maintenance, operation, construction, or other expenses in the exercise  
6 of such powers, duties, and functions, shall be transferred to the credit of the  
7 department to which such assignment and transfer is made, and the same shall be  
8 available for the objects and purposes for which appropriated originally.  
9

10 SECTION 23. [EFFECTIVE JULY 1, 2019]  
11

12 The director of the division of procurement of the Indiana department of administration,  
13 or any other person or agency authorized to make purchases of equipment, shall not  
14 honor any requisition for the purchase of an automobile that is to be paid for from any  
15 appropriation made by this act or any other act, unless the following facts are shown  
16 to the satisfaction of the commissioner of the Indiana department of administration or  
17 the commissioner's designee:

18 (1) In the case of an elected state officer, it shall be shown that the duties of the  
19 office require driving about the state of Indiana in the performance of official duty.

20 (2) In the case of department or commission heads, it shall be shown that the statutory  
21 duties imposed in the discharge of the office require traveling a greater distance  
22 than one thousand (1,000) miles each month or that they are subject to official duty  
23 call at all times.

24 (3) In the case of employees, it shall be shown that the major portion of the duties  
25 assigned to the employee require travel on state business in excess of one thousand  
26 (1,000) miles each month, or that the vehicle is identified by the agency as an integral  
27 part of the job assignment.  
28

29 In computing the number of miles required to be driven by a department head or an  
30 employee, the distance between the individual's home and office or designated official  
31 station is not to be considered as a part of the total. Department heads shall annually  
32 submit justification for the continued assignment of each vehicle in their department,  
33 which shall be reviewed by the commissioner of the Indiana department of administration,  
34 or the commissioner's designee. There shall be an insignia permanently affixed on  
35 each side of all state owned cars, designating the cars as being state owned. However,  
36 this requirement does not apply to state owned cars driven by elected state officials  
37 or to cases where the commissioner of the Indiana department of administration or  
38 the commissioner's designee determines that affixing insignia on state owned cars  
39 would hinder or handicap the persons driving the cars in the performance of their  
40 official duties.  
41

42 SECTION 24. [EFFECTIVE JULY 1, 2019]  
43

44 When budget agency approval or review is required under this act, the budget agency  
45 may refer to the budget committee any budgetary or fiscal matter for an advisory  
46 recommendation. The budget committee may hold hearings and take any actions  
47 authorized by IC 4-12-1-11, and may make an advisory recommendation to the budget  
48 agency.  
49

1 SECTION 25. [EFFECTIVE JULY 1, 2019]

2  
3 The governor of the state of Indiana is solely authorized to accept on behalf of  
4 the state any and all federal funds available to the state of Indiana. Federal funds  
5 received under this SECTION are appropriated for purposes specified by the  
6 federal government, subject to allotment by the budget agency. The provisions of  
7 this SECTION and all other SECTIONS concerning the acceptance, disbursement,  
8 review, and approval of any grant, loan, or gift made by the federal government  
9 or any other source to the state or its agencies and political subdivisions shall  
10 apply, notwithstanding any other law.

11  
12 SECTION 26. [EFFECTIVE JULY 1, 2019]

13  
14 Federal funds received as revenue by a state agency or department are not available  
15 to the agency or department for expenditure until allotment has been made by the  
16 budget agency under IC 4-12-1-12(d).

17  
18 SECTION 27. [EFFECTIVE JULY 1, 2019]

19  
20 A contract or an agreement for personal services or other services may not be  
21 entered into by any agency or department of state government without the approval  
22 of the budget agency or the designee of the budget director.

23  
24 SECTION 28. [EFFECTIVE JULY 1, 2019]

25  
26 Except in those cases where a specific appropriation has been made to cover the  
27 payments for any of the following, the auditor of state shall transfer, from the  
28 personal services appropriations for each of the various agencies and departments,  
29 necessary payments for Social Security, public employees' retirement, health  
30 insurance, life insurance, and any other similar payments directed by the budget  
31 agency.

32  
33 SECTION 29. [EFFECTIVE JULY 1, 2019]

34  
35 Subject to SECTION 24 of this act as it relates to the budget committee, the  
36 budget agency with the approval of the governor may withhold allotments of any  
37 or all appropriations contained in this act for the 2019-2021 biennium, if it is  
38 considered necessary to do so in order to prevent a deficit financial situation.

39

45 under subsection (a)(3) to comply with this subsection, the treasurer of state shall reduce the amount  
46 transferred to the build Indiana fund to the amount available in the state general fund from the transfers  
47 under subsection (a)(3) for the state fiscal year.

1        ~~(e)~~ **(d)** Except as provided in subsections ~~(h)~~ **(k)** and ~~(m)~~ **(l)**, before August 15 of each year, the  
2 **treasurer auditor** of state shall distribute the wagering taxes set aside for revenue sharing under  
3 subsection (a)(1) to the county treasurer of each county that does not have a riverboat according to the  
4 ratio that the county's population bears to the total population of the counties that do not have a riverboat.  
5 Except as provided in subsection ~~(h)~~ **(g)**, the county auditor shall distribute the money received by the  
6 county under this subsection as follows:

10        population of the county.

12        retained by the county.

14 any of the following purposes:

- 15        (1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax  
16        reduction under this subdivision does not reduce the maximum levy of the city, town, or county  
17        under IC 6-1.1-18.5).
- 18        (2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14,

- 20        (3) To fund sewer and water projects, including storm water management projects.

- 22        (5) To carry out any governmental purpose for which the money is appropriated by the fiscal body  
23        of the city, town, or county. Money used under this subdivision does not reduce the property tax levy  
24        of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or  
25        county under IC 6-1.1-18.5.

26        ~~(g)~~ **(f)** Before July 15 of each year, the **treasurer auditor** of state shall determine the total amount of  
27 money distributed to an entity under IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year.  
28 If the **treasurer auditor** of state determines that the total amount of money distributed to an entity under  
29 IC 4-33-12-6 or IC 4-33-12-8 during the preceding state fiscal year was less than the entity's base year  
30 revenue (as determined under IC 4-33-12-9), the **treasurer auditor** of state shall make a supplemental  
31 distribution to the entity from taxes collected under this chapter and deposited into the state general fund.  
32 Except as provided in subsection ~~(i)~~ **(h)**, the amount of an entity's supplemental distribution is equal to:

- 33        (1) the entity's base year revenue (as determined under IC 4-33-12-9); minus
- 34        (2) the sum of:
  - 35            (A) the total amount of money distributed to the entity and constructively received by the entity  
36            during the preceding state fiscal year under IC 4-33-12-6 or IC 4-33-12-8; plus
  - 37            (B) the amount of any admissions taxes deducted under IC 6-3.1-20-7.

39 distribute the money received by the county under subsection ~~(e)~~ **(d)** as follows:

- 40        (1) To each city, other than a consolidated city, located in the county according to the ratio that the  
41        city's population bears to the total population of the county.
- 42        (2) To each town located in the county according to the ratio that the town's population bears to the  
43        total population of the county.
- 44        (3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid  
45        in equal amounts to the consolidated city and the county.

46        ~~(i)~~ **(h)** This subsection applies to a supplemental distribution made after June 30, 2017. The maximum  
47 amount of money that may be distributed under subsection ~~(g)~~ **(f)** in a state fiscal year is equal to the

1 following:

2 (1) Before July 1, 2021, forty-eight million dollars (\$48,000,000).

3 (2) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling  
4 games authorized under this article during the preceding state fiscal year is equal to or greater than  
5 the total adjusted gross receipts received by licensees from gambling games authorized under this  
6 article during the state fiscal year ending June 30, 2020, the maximum amount is forty-eight million  
7 dollars (\$48,000,000).

8 (3) After June 30, 2021, if the total adjusted gross receipts received by licensees from gambling  
9 games authorized under this article during the preceding state fiscal year is less than the total  
10 adjusted gross receipts received by licensees from gambling games authorized under this article  
11 during the state fiscal year ending June 30, 2020, the maximum amount is equal to the result of:

12 (A) forty-eight million dollars (\$48,000,000); multiplied by

13 (B) the result of:

14 (i) the total adjusted gross receipts received by licensees from gambling games authorized  
15 under this article during the preceding state fiscal year; divided by

16 (ii) the total adjusted gross receipts received by licensees from gambling games authorized  
17 under this article during the state fiscal year ending June 30, 2020.

18 If the total amount determined under subsection ~~(g)~~ (f) exceeds the maximum amount determined under  
19 this subsection, the amount distributed to an entity under subsection ~~(g)~~ (f) must be reduced according  
20 to the ratio that the amount distributed to the entity under IC 4-33-12-6 or IC 4-33-12-8 bears to the total  
21 amount distributed under IC 4-33-12-6 and IC 4-33-12-8 to all entities receiving a supplemental  
22 distribution.

23 ~~(j)~~ (i) This subsection applies to a supplemental distribution, if any, payable to Lake County,

25 **treasurer auditor** of state shall, after making any deductions from the supplemental distribution required  
26 by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the  
27 unit under this section the lesser of:

28 (1) the remaining amount of the supplemental distribution; or

29 (2) the difference, if any, between:

30 (A) three million five hundred thousand dollars (\$3,500,000); minus

31 (B) the amount of admissions taxes constructively received by the unit in the previous state fiscal  
32 year.

35 revenue fund established under IC 36-7.5-4-1.

36 ~~(k)~~ (j) Money distributed to a political subdivision under subsection (b):

37 (1) must be paid to the fiscal officer of the political subdivision and may be deposited in the political  
38 subdivision's general fund or riverboat fund established under IC 36-1-8-9, or both;

39 (2) may not be used to reduce the maximum levy under IC 6-1.1-18.5 of a county, city, or town or  
40 the maximum tax rate of a school corporation, but, except as provided in subsection (b)(2)(B), may  
41 be used at the discretion of the political subdivision to reduce the property tax levy of the county,  
42 city, or town for a particular year;

43 (3) except as provided in subsection (b)(2)(B), may be used for any legal or corporate purpose of the  
44 political subdivision, including the pledge of money to bonds, leases, or other obligations under  
45 IC 5-1-14-4; and

46 (4) is considered miscellaneous revenue.

47 Money distributed under subsection (b)(2)(B) must be used for the purposes specified in subsection

1 (b)(2)(B).  
2 ~~(f)~~ **(k)** After June 30, 2020, the amount of wagering taxes that would otherwise be distributed to South  
3 Bend under subsection ~~(e)~~ **(d)** shall be deposited as being received from all riverboats whose  
4 supplemental wagering tax, as calculated under IC 4-33-12-1.5(b), is over three and five-tenths percent  
5 (3.5%). The amount deposited under this subsection, in each riverboat's account, is proportionate to the  
6 supplemental wagering tax received from that riverboat under IC 4-33-12-1.5 in the month of July. The  
7 amount deposited under this subsection must be distributed in the same manner as the supplemental  
8 wagering tax collected under IC 4-33-12-1.5. This subsection expires June 30, 2021.  
9 ~~(m)~~ **(l)** After June 30, 2021, the amount of wagering taxes that would otherwise be distributed to South

35 SECTION 98. IC 6-3.1-4-8 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ  
 36 AS FOLLOWS [EFFECTIVE JANUARY 1, 2019 (RETROACTIVE)]: Sec. 8. (a) For purposes of this  
 37 section, the following apply:

38 (1) A taxpayer has a credit under Section 41(a)(1) of the Internal Revenue Code for a taxable  
 39 year if the taxpayer computes, or could have computed, a positive credit under either Section  
 40 41(a)(1) or Section 41(c)(5) of the Internal Revenue Code for the taxable year. A taxpayer has  
 41 a credit under Section 41(a)(1) of the Internal Revenue Code for the taxable year even if the  
 42 credit is not claimed for federal income tax purposes in that taxable year, if the credit can be  
 43 carried forward for federal income tax purposes.

44 (2) A determination by the Internal Revenue Service includes any decision resulting from an  
 45 appeal of an allowance or disallowance of the credit under Section 41(a)(1) of the Internal  
 46 Revenue Code, if the determination is a final determination within the meaning of  
 47 IC 6-3-4-6(d).

48 (b) If a taxpayer has a credit under Section 41(a)(1) of the Internal Revenue Code for a taxable

1 year, and the Internal Revenue Service determines upon audit or other review that the credit is  
2 allowable in whole or in part, the department shall treat the portion of qualified research expenses  
3 allowed by the Internal Revenue Service as qualified research expenses for purposes of this chapter.  
4 However, nothing precludes the department from determining that all or part of the credit under  
5 this chapter should be disallowed because:

- 6 (1) all or part of the qualified research expenses was not incurred in Indiana; or
- 7 (2) of any other issue related to the computation of the credit under this chapter.

8 (c) If a taxpayer:

- 9 (1) does not have a credit under Section 41(a)(1) of the Internal Revenue Code for a taxable  
10 year; or
- 11 (2) the Internal Revenue Service disallows the credit for a taxable year under Section 41(a)(1)  
12 of the Internal Revenue Code in full;

13 the credit under this chapter shall be presumed to not be allowed. However, the presumption may  
14 be rebutted by the taxpayer pursuant only to subsection (d).

15 (d) If a taxpayer does not have a credit under Section 41(a)(1) of the Internal Revenue Code for  
16 a taxable year because the amounts as computed under both Sections 41(a)(1) and 41(c)(5) of the  
17 Internal Revenue Code would be zero (0), or the Internal Revenue Service disallows the credit  
18 because the amount computed is zero (0), the taxpayer may establish that the credit under this  
19 chapter is allowable. However, if the credit under this chapter is presumed to be disallowed because  
20 the federal credit under Section 41(a)(1) of the Internal Revenue Code is determined to be zero (0),  
21 if requested by the department, the taxpayer must provide the following information in addition  
22 to any other information requested by the department:

- 23 (1) All information necessary to compute the federal credit potentially allowable under Section  
24 41(a)(1) or Section 41(c)(5) of the Internal Revenue Code for the taxable year, with a  
25 breakdown of qualified research expenses, receipts, and any other information necessary to  
26 compute the federal credit allowable that is attributable to states other than Indiana.
- 27 (2) All information necessary to compute the credit potentially allowable under this chapter,  
28 including qualified research expenses, receipts, and any other information attributable to  
29 Indiana for all relevant taxable years.

30 (e) If:

- 31 (1) the taxpayer would be entitled to a credit under Section 41(a)(1) of the Internal Revenue  
32 Code for that taxable year; and
- 33 (2) the taxpayer could have determined, but did not claim, a federal tax credit under Section  
34 41(a)(1) of the Internal Revenue Code for that taxable year;

35 no credit shall be allowed pursuant to this chapter. For purposes of this subsection, subdivision (2)  
36 does not apply if the taxpayer had a credit disallowed solely due to the limitation under Section  
37 41(g) of the Internal Revenue Code.

18 (e) For the months of January through November, the auditor of state shall distribute to the county the

20 county, multiplied by the monthly uniform disbursement percentage for that month. For December, the  
21 auditor shall distribute to the county the total difference in the bureau's reports determined under  
22 subsection (a) in the months of January through December for that county, multiplied by the annual  
23 uniform disbursement percentage, less the amounts distributed to the county in January through

16 amount.  
17 (e) The following apply to the distribution of teacher appreciation grants:  
18 (1) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
19 exceeds the amount appropriated by the general assembly for teacher appreciation grants for that  
20 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools shall be  
21 proportionately reduced so that the total reduction equals the amount of the excess. The amount of  
22 the reduction for a particular school is equal to the total amount of the excess multiplied by a  
23 fraction. The numerator of the fraction is the amount of the teacher appreciation grant that the school  
24 would have received if a reduction were not made under this section. The denominator of the  
25 fraction is the total amount that would be distributed as teacher appreciation grants to all schools if  
26 a reduction were not made under this section.  
27 (2) If the total amount to be distributed as teacher appreciation grants for a particular state fiscal year  
28 is less than the amount appropriated by the general assembly for teacher appreciation grants for that  
29 state fiscal year, the total amount to be distributed as teacher appreciation grants to schools for that  
30 particular state fiscal year shall be proportionately increased so that the total amount to be  
31 distributed equals the amount of the appropriation for that particular state fiscal year.  
32 (f) The annual teacher appreciation grant to which a school is entitled for a state fiscal year shall be  
33 distributed to the school before December 5 of that state fiscal year.  
34 (g) The following apply to a school's policy under subsection (c) concerning the distribution of teacher  
35 appreciation grants:  
36 (1) The governing body shall differentiate between a teacher rated as a highly effective teacher and  
37 a teacher rated as an effective teacher. The policy must provide that the amount of a stipend awarded  
38 to a teacher rated as a highly effective teacher must be at least twenty-five percent (25%) more than  
39 the amount of a stipend awarded to a teacher rated as an effective teacher.  
40 (2) The governing body of a school may differentiate between school buildings.  
41 (3) A stipend to an individual teacher in a particular year is not subject to collective bargaining, but  
42 is discussable, and is in addition to the minimum salary or increases in salary set under  
43 IC 20-28-9-1.5. The governing body may provide that an amount not exceeding fifty percent (50%)  
44 of the amount of a stipend to an individual teacher in a particular state fiscal year becomes a  
45 permanent part of and increases the base salary of the teacher receiving the stipend for school years  
46 beginning after the state fiscal year in which the stipend is received. The addition to base salary is  
47 not subject to collective bargaining, but is discussable.

1 (h) A teacher appreciation grant received by a school shall be allocated among and used only to pay  
2 cash stipends to all licensed teachers employed in the classroom who are rated as effective or as highly  
3 effective and employed by the school as of December 1.

4 (i) The lead school corporation or interlocal cooperative administering a cooperative or other special  
5 education program or administering a career and technical education program, including programs  
6 managed under IC 20-26-10, IC 20-35-5, IC 20-37, or IC 36-1-7, shall award teacher appreciation grant  
7 stipends to and carry out the other responsibilities of an employing school corporation under this section  
8 for the teachers in the special education program or career and technical education program.

9 (j) A school shall distribute all stipends from a teacher appreciation grant to individual teachers within  
10 twenty (20) business days of the date the department distributes the teacher appreciation grant to the  
11 school. Any part of the teacher appreciation grant not distributed as stipends to teachers before February  
12 must be returned to the department on the earlier of the date set by the department or June 30 of that state  
13 fiscal year.

14 (k) The department, after review by the budget committee, may waive the December 5 deadline under  
15 subsection (f) to distribute an annual teacher appreciation grant to the school under this section for that  
16 state fiscal year and approve an extension of that deadline to a later date within that state fiscal year, if  
17 the department determines that a waiver and extension of the deadline are in the public interest.

18 (l) The state board may adopt rules under IC 4-22-2, including emergency rules in the manner provided  
19 in IC 4-22-2-37.1, as necessary to implement this section.
