# SUPPORTING HOOSIER VETERANS AND SERVICE MEMBERS

## Recent Legislative Accomplishments

### CUTTING TAXES FOR ACTIVE-DUTY MILITARY - HEA 1034 (2023)

To honor members of the armed services, active-duty military will receive a complete income tax exemption starting in 2024. This tax relief could also attract more out-of-state service members and their families to call Indiana home, and help fill our workforce pipeline.

### PRIORITIZING MENTAL HEALTH - HEA 1001 (2023)

Indiana's new biennial budget boosts investments in Indiana's veteran suicide prevention efforts. Our state's veteran suicide rate is higher than the national average, and we need to do everything we can to ensure these Hoosiers, who sacrifice their time, safety and even their lives, can receive the help they need.

### SUPPORTING MILITARY FAMILIES - SEA 316 (2021)

The Military Family Relief Fund provides support to military families in need of food, housing, utilities, medical services, transportation and other essentials. Eligibility for the fund expanded to help more veterans, including Indiana National Guard members.
