State Representative Curt Nisly (R-Goshen) joined the Indiana House of Representatives in 2014. Rep. Nisly graduated from the Woodlawn Christian School in 1989.

He is the owner of C-Tech Solutions, Inc., a small business that specializes in sheet metal product development and data-driven applications. He has extensive experience in the grain handling and dust collection industries.

In his spare time, Curt enjoys running and has participated in several half marathons. He and his family also hike together and have climbed Pikes Peak, a summit in Colorado's Rocky Mountains.

Rep. Nisly and his wife Mary have been married for 21 years and have four children ranging from 14 to 20 years old.
